January 7, 2008
Executive Meeting at 3:30PM
Kingfisher Spa & Resort, Royston

Due to time constraints we didn't have a general meeting. With December's meeting being canceled because of snow there was some fairly pertinent information discussed at the Executive Meeting we felt should be posted on our web site for the membership, as follows:

Seedy Saturday-

We (The chefs association) will be providing manpower on Saturday, March 1 from 9:00 AM - 2:00 PM to help run the café at the FlorenceFilberg Center. In return Vivian will be donating her stipend of \$400.00 to the scholarship fund. Anybody interested in volunteering please contact her.

Dancing with the stars –

The chefs association has been approached to cater this event on March 29th and accepted. Anyone interested in working on this function should contact a board member. We are also looking for as much sponsorship as possible. This function should be supported by all members as it is a major fundraiser for the association.

Western conference (February 8 to 10) in Vancouver –
Ronald has asked to go

National conference (April 23 to 27th) in Montreal –
Registration has to be in by February 1, anyone interested in going contact James Street

Rotary auction dinner will be on May 10, volunteers are needed. It is a buffet for sixteen people, a small wedding.

James Street appointed Lesley Stav, Jonathan Frazier and Vivian Cruise as the nomination committee to except nominations for the vacant board positions

Nominations will be read at our February meeting
Voting will take place in March

A motion for amendment will be drafted and distributed to the membership for review before our February meeting. It will propose a bylaw change involving inclusion of associate members to certain board positions.

Don't forget-barrel tasting at Beaufort winery coming up in April!!!! Stay tuned!!!!
